

A FEW THINGS TO KEEP US ALL SMILING

To keep our atmosphere friendly, and that great family vibe going strong, we have a few simple house rules for everyone to follow:

Mini-Humans

We love them, but please keep them within arm's reach.

Feet & Paws:

Our furniture is for sitting, not for boots or wagging tails. Please keep both on the floor!

THE SERIOUS BIT

We have a zero-tolerance policy regarding drugs. If you're caught, it's not just a "see you later", it's a lifetime ban. No exceptions.
